Sharing the good news as we go

Dear Churches,

During this week we are asking you to consider doing three things:

1. Join us as we pray...

- a. ...for each of the churches in our association and their pastors/leaders, as well as the church plants/planters that are supported partially by funds from our association.
- b. ...that we would be united in our work for the Lord as an Association and see God move mightily in our midst.

2. Learn about the work and role of a Baptist association.

3. Receive a love offering for the Nelson Baptist Association.

Thank you for your ministry and your support. May God bless!
