Joy! An Irish Christmas - Concert with Keith and Kristyn Getty

Modern day hymn writers Keith and Kristyn Getty with 20schemes - a partner of the Nelson Association - are performing a Christmas benefit concert at Southeast Christian Church on December 13th at 7:30pm. This is proving to be a highly anticipated evening. With tickets selling for only \$20 per person it's no surprise that thousands of tickets have already been sold. Consider the possibility of your church attending this Christ-centered Christmas concert together on December 13. Not only would you be able to experience a fantastic concert you will be supporting a partner of the Nelson Association and supporting Church Planting in Scotland's poorest communities.

Multiply 22

We are happy to say that the first year of Multiply 22 is over and was a fantastic success. Around this time last year several pastors of the Nelson Association came together with a vision for an apprenticeship program that would train young men to pastor, plant and revitalize churches. The realization that quality ministers of the gospel are rarely the result of anything but intentional investment pushed the Church Evangelism team to create Multiply 22 - a 10-month apprenticeship (Feb.-Nov.). Each apprentice gets 1-on-1 time with their coach every week and once per month all the coaches, apprentices, and anyone else willing to come, gather around a table to discuss challenges and strategies of ministry.

With a new year approaching and with one year of experience in this new incentive, we would like to invite you to become part of Multiply 22 and ask that if there is anyone you know planning on going into ministry and is interested in gaining real experience with a coach and learning from those who have gone before them, encourage them to contact us. Our Vision

*"Strengthening Churches,
Sharing Christ's Love"*

Merry Christmas!

Merry Christmas from the Nelson Association! For Churches Christmas is usually marked as a time of activity and growth. We are praying that your church would take full advantage of the holidays to be a witness for Christ in your communities and that we would see people saved as a result.
