Strengthening Pastors, Strengthening Churches Event

Time and Date: April 25th at Parkway Baptist Church, 10 AM - 1 PM

Topic: Ministry Multiplication - Todd Robertson, DOM Louisville Regional Baptist Association

"We all know that in the created order healthy organisms reproduce. Should there be any reason to think that the church should be different? Creating a culture of reproduction/multiplication in the church is vital, but it takes intentionality. Learning concepts like intentional gospel relationships, assessment, apprenticeship, mentoring, and multiplying systems are critical to actually seeing results in the life of your church."
