20Schemes uses Former Association Building

Last summer, 20Schemes purchased the former NBA building in hopes of turning it into office space and missionary housing. With the help of local churches, they were able to remodel to the building to house missionaries.

Carrie Selby, who will be a Ministry Intern in Barlanark, will be the first guest at the missionary housing. Carrie has left her job, sold her car, and is moving out of her home in Texas. She is leaving grandchildren and an elderly mother to serve in the schemes of Glasgow.
