For Spiritual Harvest, Healing, and Health  
Thursday, October 6th , 2002; 12pm at  
Mercy Hill Church, 165 W. Joe B. Hall, Shepherdsville, KY

A vision will be presented for cooperative establishment of  
Faith-Based Support groups throughout the area.

These groups will target the following areas but are not limited to them: Grief, anger, anxiety, co-dependency, substance abuse, and Godly character. Our communities are underserved in these areas and we, as the church, have the opportunity to step into the gap.
